Seimeido (a sole proprietorship, hereinafter “we”) is pleased to announce that we have entered into a business alliance — centered on a technical partnership — with NT Giken Industries K.K. (NT 技研工業株式会社, Sakai, Osaka, hereinafter “NT Giken Industries”).

Scope of the Alliance

We and NT Giken Industries will pool our respective technologies and expertise to collaborate on R&D, design, simulation, and procurement across surface treatment, water treatment, optics, thermal-fluid engineering, mechanical engineering, electrical engineering, energy, and environment, as well as on overseas expansion.

Looking Ahead

We will share further details on specific initiatives as they develop.
